[Despatch Abstract.]

Public Services - War reserved vacancies - employment of men of R.I.N. Fleet reserve - Govt. of India's letter communicated.

No.6848/9/Res.1/R.144/D.9/47

Government of India,

Defence Department (Army Branch)

New Delhi, the 17th January 1947.

To

All Provincial Governments.

SuBject: Employment of Men R.I.N. Fleet Reserve.

Sir,

I am directed to say that it has been reported that Naval ratings of R.I.N. Fleet Reserve are refused jobs in services controlled by civil Governments and also by Private Employers on the grounds that these ratings belong to the Fleet Reserve.

2. Under the terms and conditions of the R.I.N. Fleet Reserve the men of that Reserve receive a small monthly pension and are subject to recal to active service on mobilization apart from being called up for a month's training every two years. The extract of article 8, Regulations for the Royal Indian Fleet Reserve is reproduced below. It is felt that to refuse them employment because of the above commitments is an unduly harsh treatment. The monthly pension granted to these men is a meagre amount and these men cannot do without some other source of income.

3. I am to request that if the Provincial Government see no objection, all the Departments under the Government may be instructed to accept these men without any prejudice. These men, may however, be allowed to proceed for one month's Training when called up by the R.I.N. It will be appreciated if their absence for this period occasioned by the call-up for training is counted as on duty. The R.I.N. would pay them for the period they are under training.

"ARTICLE 8: All previous naval service and half the reserve service rendered prior to a reservist rating's appointment in the civil police or jails department of administrations directly under the Governor General may be allowed to count towards civil pension under the conditions laid down in Article 356, Civil Service Regulations.

Naval and Reserve service to the same extent may also, at the discretion of the Provincial Governments, be allowed to count towards Civil pension under the conditions prescribed by them.

NOTE: (a) A reservist in civil Government employ will, when called up for periodical training, receive naval pay and allowances. He will also receive the excess, if any, of his civil pay over his naval pay, provided that this concession is specifically sanctioned by the Department of the Government of India affected, or its attached and subordinate offices of by the provincial Government concerned, in whose employ the reservist is serving in his civil capacity, and provided also that ~~(except when~~
